

SBM 2.0

Swachh Bharat Mission, the world's largest sanitation initiative was launched by the Prime Minister of India in 2014 to achieve an Open Defecation Free India by October 2, 2019, as a tribute to Mahatma Gandhi. The programme led to the construction of over 10 crore individual household toilets, taking sanitation coverage from 39% in 2014 to 100% in 2019 when around 6 lakh villages declared themselves Open Defecation Free (ODF). While studies indicate that the SBM-G campaign led to significant economic, environmental and health impacts, contributing to the empowerment of women in particular, it also led to the achievement of SDG 6.2 (Sanitation and Hygiene), 11 years ahead of the stipulated timeline.
